

THE CYPRUS INSTITUTE OF NEUROLOGY AND GENETICS VACANCY FOR SENIOR NEUROLOGIST/CLINIC HEAD

(Ref. code: 210619)

The Cyprus Institute of Neurology and Genetics (CING), is a bi-communal, non-profit, research, academic, medical centre. It offers high level medical and clinical laboratory services, pursues innovative research and provides advanced education in the areas of Neurology, Genetics and Biomedical Sciences.

CING's philosophy, in line with its Vision and Mission statements, is summarized by the five core values, **Excellence, Social Service, Professionalism, Innovation and Teamwork.**

JOB SUMMARY

The Cyprus Institute of Neurology and Genetics is looking for a full time **Senior Neurologist/Clinic Head** in its Clinical Neurosciences Section.

The suitable candidate will head one of the Institute's Neurology Clinics as a certified medical doctor trained in the diagnosis and treatment of neurological diseases. Additionally, he/she will engage in research and education. The above position is combined with a faculty position at the appropriate rank commensurate with experience and track record at the Cyprus School of Molecular Medicine (CSMM), the post-graduate School of the Institute.

He/she will be accountable to the Chief Executive Medical Director and will be a member of the Institute's Scientific Council.

WHAT WE ARE SEEKING

- An MD degree with a sub specialty in Neurology; and
- Recognized board certification in Neurology; and
- License or eligible for license from the Pancyprian Medical Association; and
- A minimum of 6 years of post-graduate training and experience in an accredited medical centre; and
- Knowledge of clinical operations and procedures; and
- Supervisory experience; and
- Command of the Greek and English languages; and
- Ability to designing and carrying out original independent research programs; and
- Demonstrated track record and commitment to research with peer reviewed publications.

Experience in Neuromuscular/Muscle Disorders and Neuropathology will be considered an advantage.

WHAT WE OFFER

- Highly collaborative culture
- A CHKS accredited outpatient and inpatient centre with specialized clinics and laboratories functioning as a national referral centre for neurological disorders
- Cutting-edge basic and clinical neuroscience research and top-notch facilities at the Institute
- Opportunities for advancement as an academic:
 - Research infrastructure and resources are allocated including dedicated lab space and research staff
 - Opportunities to participate in the activities of CSMM (supervision of MSc/PhD students and teaching in the CSMM programs)
- Competitive salary and generous benefits

HOW TO APPLY

A cover letter and a detailed curriculum vitae, 3 representative publications, and names of two referees should reach the Institute by **Friday 4 October 2019** by e-mail at: vacancies@cing.ac.cy, stating the reference code. Contact person for further information: Ms Anna Michaelidou, tel.: 22392789, e-mail: annam@cing.ac.cy.

The Cyprus Institute of Neurology and Genetics is an equal opportunities employer.
